

# Pre-made empty pouches

FILL WITH  
CREATIVITY

# flexible packaging from inflexible quality

With Flexi's pre-made pouches you get the best of flexible packaging: reusable, customizable and with a green soul, **they give shape to your projects and enhance your product.**

# reusable

WITHOUT COMPROMISE  
THE INTEGRITY OF THE  
PRODUCT.

Thanks to the zip or screw cap closure, customizable, they allow you to reuse the product several times.

# customizable

TO GIVE MORE VALUE  
AND VISIBILITY  
TO YOUR BRAND

+  
**YOUR  
DESIGN**

Thanks to its design flexible packaging can offer a wider graphic surface to be customized with flexo-  
roto-digital printing.

# green

## **-75% OF PLASTIC**

They reduce the consumption of plastic and allow you to save on costs, without sacrificing quality, integrity of the contents and practicality of use.

## **LESS EMISSIONS OF CO<sub>2</sub>**

They allow to reduce emissions in the production and logistics: light and space-saving, they take up less space and allow to optimize transport.

## **MORE LIGHTNESS**

Designed to replace the heaviest bottle, they are a practical, flexible and sustainable tool to use as a refill for your products.
